

Rate Structure for Parklane Water Association

The following rate structure was adopted by a quorum of shareholders at a special meeting on 2/8/2025:

- Each shareholder will continue to pay annual dues of \$500.00 annually. This amount may be paid in full at the end of January, or quarterly payment of \$125.00 will be accepted.
- An excess usage fee will be assessed to any shareholder using more than 24,000 gallons in any quarter at a rate of \$0.01 per gallon overage.
- Additionally, a one-time special assessment of \$1500.00 will be levied against each shareholder to pay for immediately needed infrastructure repair and replacement. Payments made in full are appreciated. However, quarterly payments of \$250.00 for a term of 18 months will be accepted. Monthly payments of \$88.33 will also be accepted. None of these terms shall accrue interest. Payment in full is expected by 12/1/2026.
